Application for New Mexico
Medical Gas Handlers Endorsement

CLSI For CID Licensing; Under Section 60-13-1 to 60-13-58, NMSA 1978

AN INCOMPLETE APPLICATION WILL NOT BE PROCESSED AND FEES WILL NOT BE REFUNDED
PRINT CLEARLY, USING ALL CAPITAL LETTERS, ONE LETTER OR NUMBER PER BOX.

The requirements for medical gas endorsements are as follows:

1. A current journeyman's certificate in the JP, JG, JPG, and/or JPF classifications
2. A current certification from an approved medical gas testing program.
3. A approved ASME brazing certification.

Proof of the requirements of a medical gas endorsement must be submitted with this application. An endorsement shall be concurrent with the date of the medical gas training certification. Renewal of that endorsement will require a recertification course of at least thirtytwo (32) hours.

Training with current Construction Industries Division approved courses:

United Association of Plumbers & Steamfitters
Local Union #412
510 San Pedro SE
Albuquerque, NM 87108
